Description

Applications:

Optimally matched to all conventional high-pressure cleaning devices. Very suitable for pre-spraying. Effective when used for cleaning at the wash bay and in the wash bay. Best cleaning results even when wiping.

Areas of application:

- General basic and industrial cleaning in repair workshops and maintenance departments in all industries
- Cleaning of machines and equipment
- Commercial vehicle tarpaulins and plastic housings - with a glossy effect
- Hall and workshop floors

Soiling:

- Grease, oil, encrustations, soot particles, brake dust
- Easily removes hydraulics and engine oils
- Dust, environmental and everyday soiling
