Overview

IBS-Maintenance Oil MultiFix, 50 L

Product number: 2050049

06701-9383-0
info@ibs-scherer.de

Description

Application advantages

- Cleaning effect - due to its high penetration capacity MultiFix infiltrates and dissolves rust
- Corrosion protection - high-quality special additives prevent the formation of new corrosion in the long term
- pleasant vanilla scent
- Special properties - after a short exposure time, parts and connections that are stuck due to rust can be loosened without any problems.
- Due to its high creeping capacity, MultiFix is an ideal lubricant for all moving parts.
