Description

Applications:

Optimally matched to all conventional high-pressure cleaning devices. Very suitable for pre-spraying. Effective when used for cleaning at the wash bay and in the wash bay. Best cleaning results even when wiping.

Areas of application:

- Exterior cleaning of vehicles as well as all types of traffic and transport vehicles (agriculture, construction, road construction, municipal services, rail vehicles, vehicles with superstructures)
- Cable cars, ski lifts (gondolas/cabins, bubble shuttle/bubble plexiglass)
- Cleaning of machines and equipment
- General basic cleaning
- Commercial vehicle tarpaulins and plastic housings - with gloss effect
- Hall and workshop floors

Soiling:

- Environmental and everyday soiling
- Grease, oil, soot, encrustations
- Easily removes hydraulic and engine oils
