Overview

IBS-Special pump, with foot switch, type BK-50

Product number: 2222080

06701-9383-0
info@ibs-scherer.de

Description

IBS special pump type BK-50 is a self-priming pump and was specially developed for use in the IBS parts cleaning device. The pump has a low flow rate and does not build up pressure, thus fulfilling all requirements of the prescribed standards (EN 12921).

The unique suction system and the magnetic slip clutch, ensure maintenance-free operation and a long service life. When using IBS special cleaner, we grant an extended factory warranty of 3 years.

Product information

Connection:	230 V / 50 Hz
Delivery rate:	6 - 8 l/h
Funding level:	max. 1.5 m
Performance:	25 Watt
Print:	max, 0.1 bar
Weight:	5.40
