Overview

IBS pump set type M/MD

Product number: 2222056

06701-9383-0
info@ibs-scherer.de

Description

The IBS special pump type M/MD is a self-priming pump and was specially developed for use in the IBS parts cleaning device. The pump has a low flow rate and does not build up pressure, thus fulfilling all requirements of the prescribed standard(EN 12921).

The unique suction system and the magnetic slip clutch ensure maintenance-free operation and a long service life. When using IBS special cleaner, we grant an extended factory warranty of 3 years.

Scope of delivery:

- IBS special pump
- IBS foot switch
- Electric cable with safety plug
- Brush hose
- Return hose
- IBS special brush, coarse
- Hose clamps Barrel connection 2

The pump is completely assembled and ready for immediate use.
