## Overview

# IBS pump set type F/F2

**Product number:** 2222040

06701-9383-0
info@ibs-scherer.de

# Description

The IBS special pump type F/F2 is a self-priming pump and was specially developed for use in the IBS parts cleaning device. The pump has a low flow rate and does not build up pressure, thus fulfilling all requirements of the prescribed standard (EN 12921).

The unique suction system and magnetic slip clutch ensure maintenance-free operation and a long service life. When using IBS special cleaner, we grant an extended factory warranty of 3 years.

**Scope of delivery:**

- IBS special pump
- Electric cable with safety plug
- Brush hose
- Return hose
- IBS special brush, coarse
- Return connection, 3/4
- Hose clamps

The pump is completely assembled and ready for immediate use.
